

# Sir Francis Drake Sidewalk

Project Number: 503

## LOCATION

Sir Francis Drake Boulevard between Olema Road and Broadway (Fairfax)

## COST

\$80,000 (estimated)

## FUNDING SOURCES

NTPP \$80,000

## COMPLETION DATE:

Fall, 2010 (projected)

## PROJECT DESCRIPTION

This project will provide new bike lanes on Sir Francis Drake Blvd. between the existing bike lanes to the west and downtown. Closing this gap will better connect the Manor area to the west with the library, public transportation, and downtown Fairfax.

## POINTS OF INTEREST

This project originally included a sidewalk on the south side of the roadway. This component has been removed due to the lack of sufficient right of way. Completion of the bike lanes will improve access for bicyclists between downtown and western Fairfax.

## STATUS

Plans are in final design

## ABOUT WALKBIKEMARIN

WalkBikeMarin is an initiative by the County of Marin to help make Marin more healthy, livable, and environmentally sustainable by encouraging walking and bicycling as everyday transportation. This initiative was catalyzed by a recent \$25 million federal grant to fund the Nonmotorized Transportation Pilot Program (NTPP).
