

Walking Maps

Project Number: RES-4

LOCATION

Four targeted communities in Larkspur/Greenbrae, Novato, San Rafael, and Sausalito.

TOTAL COST

\$50,000

LEAD AGENCY

Marin County Department of Public Works

PROGRAM DESCRIPTION

The program consisted of designing, printing, and distributing map of walkways, public stairs, multi-use pathways, and other facilities aimed at encouraging more local trips by foot or bicycle. The maps show local community activity centers, shopping, schools, and transit stops. The maps were printed and distributed through the Way to Go personal travel planning program (INC-3) to be used in conjunction with that outreach program. Copies were also distributed to local cities.

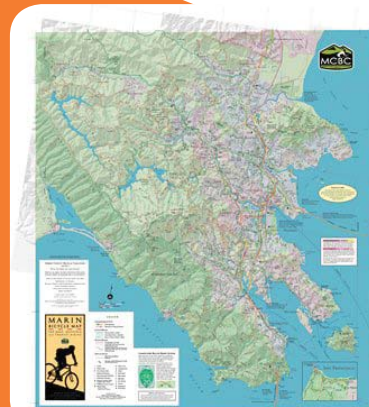

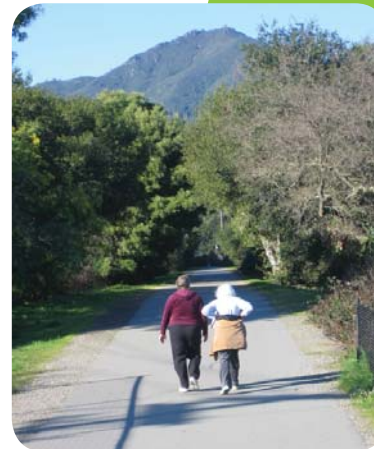

Maps were created for the following areas:

- Northern Larkspur/Greenbrae
- Central Novato
- Central San Rafael
- Sausalito and Waldo Point Harbor

STATUS

The program has concluded. Maps were created and distributed through Way to Go and through city recreation departments. You can download and print the map from the links above.

Revision Date: October, 2012
