FOR IMMEDIATE RELEASE

Mission Pass Multi-purpose Path Temporary Closure Notice

The Mission Pass Bike Path between the end of Manual T. Freitas Parkway in San Rafael and Fawn Drive in Sleepy Hollow, over Terra Linda Ridge, will be temporarily closed to public use on FRIDAY OCTOBER 15, 2010 for pavement repairs.

The Marin County Parks Department with the assistance of the Department of Public Works Roads Maintenance Division will repair portions of the Path that have cracked, fallen away, or otherwise deteriorated. This will require a temporary closure of the path for public safety for the period noted above. The path is expected to be reopened on Saturday October 16, 2010.
